How MEDPRICE.COM Works

MEDPRICE.COM offers an extensive database listing of healthcare providers. Many of whom have enrolled and identified themselves as Associates who offer cash pricing to patients who are uninsured, self-insured or for those who are seeking care outside of their healthcare coverage

The **MEDPRICE.COM** basic service is offered at no charge to both Patients and Healthcare Providers.

For Healthcare Providers, **MEDPRICE.COM** offers a free listing of your contact information and services offered. Healthcare providers who accept cash payments may identify themselves as Associates at no cost to them, and choose the care giver category that best describes your services: including Medical, Dental, Diagnostic and Holistic/Alternative.

For Patients, **MEDPRICE.COM** provides a powerful search tool to locate retail healthcare providers on-line. Feel free to contact Non-Associates to schedule an appointment and introduce them to **MEDPRICE.COM!**
