Search and Bid

A list of Healthcare Providers will be generated from your 'Submitted' search criteria. Associated Healthcare Providers of **MEDPRICE.COM** will be listed above Non-Associates. Associates have enrolled in the **MEDPRICE.COM** program and are offering 'Cash Pricing'.

Patients may 'Submit' a 'Bid' for the price they are willing to pay for an "Office Visit/Service Appointment". All Associates who will accept your 'Bid' are then listed. You may then select an Associate and print a confirmation slip recording your 'Bid' price.

Your search may list Non-Associates. You may not 'Bid' for service with Non-Associates. If no Associates are listed you may raise your 'Bid' and re-submit or you may alter your search criteria and begin again.
