### FOLLOW THESE STEPS

1. Visit **MEDPRICE.COM** on-line at <http://www.MEDPRICE.com>.
2. Enter your City and State or Zip code in the first fields.
3. Enter a Specialty and/or Name of the healthcare provider whom you wish to locate in the second and third fields.
4. Click the [Submit] button with your mouse to produce a list of healthcare providers who meet your search criteria. If none are found, you may alter your search criteria and try as many times as you need.

5. Select a healthcare provider from the list generated. Associates are listed above the Non-Associates. If one or more Associates are found, you may [Submit] a “bid” for the price you are willing to pay for your ‘Office Visit’ / ‘Service Appointment’. All Associates who will accept your bid are listed. You may then select an Associate and print a confirmation slip recording your “bid” price.
6. Your search may list Non-Associates. You may not “bid” for service with Non-Associates. However, you may contact them and inquire about their cash offerings. Neither Associates or Non-Associates will likely discuss any price amounts over the phone.
7. You are responsible to call and schedule your own appointment.
