

BENEFITS OF TIERED MEMBERSHIP

MEDPRICE.COM provides a valuable service to all Associates and does not influence patient search or selection based on any fees made by the three levels of Tiered Membership. However, MEDPRICE.COM does offer some beneficial tools that improve your popup profile once you have been selected.

Take advantage of our introductory offer of three (3) free months from date of your “Tiered Associate” enrollment, then enjoy the following benefits starting at only \$9.95 per month.

A – Classic: 3 Months Free then only \$9.95 per month

- Simple, Clean and to the point. Easy set-up with a Basic listing of your Contact information. This level allows you to offer Cash Pricing and clearly defines you as an Associate of Medprice.com. A great place to test the system before you decide to ramp up your competitive edge!

B – Preferred: 3 Months Free then only \$19.95 per month

- An excellent mid-based position for presenting your business features with a Basic listing as an Associate.
- Your office contact info will be displayed.
- A personal Photo can be incorporated as well as showing your Educational background. This information will enhance a Patient’s ability to identify better with you before making their selection.

C – Premier: 3 Months Free then only \$29.95 per month

- Tailored for the seasoned healthcare providers to help select you amongst your peers. Take advantage of these tools to optimize your profile.
- Includes the Basic listing as an Associate and contact information.
- Effective display of your Education and Experience.
- Add photo(s) of yourself and your office staff.
- Provide a link to your Website.
- Post your business Logo for a complete branding position to set you aside from your fellow healthcare providers.
